# 20" G Series
Assembly Instructions

STEP 1

Locate hole on the bottom tab on the plate.

STEP 2

Insert the angled end of the wire thru the hole on the plate.

STEP 3

Align the top of the marking plate with wire - the bend angle of the wire may need to be adjusted to get a proper fit with the plate.

STEP 4

Crimp the top tab of the marking plate over the wire to secure the plate in place.

STEP 5

Your 20" G Series marker is now ready to use!
